

One Key

Infinite Presence

LA CHAMANA
TULUM

A photograph of a modern building entrance. The building features a series of arches and is partially covered in climbing vines. A set of stairs leads up to the entrance. In the foreground, there is a swimming pool with a dark blue tile pattern. Lush green plants, including palm trees and large-leafed tropical plants, are arranged around the pool and entrance. A small white tassel ornament hangs from the top of the building. The overall atmosphere is serene and inviting.

*A setting that slows time and deepens
awareness. Every space invites stillness,
expansion and inner alignment.*

The Vision

A Quiet Revolution is Reshaping Hospitality

Around the world, the most discerning travelers are no longer seeking extravagance; they are seeking essence. Not more noise, but more meaning.

Moments that soften time, awaken the senses, and stir something ancient within.

At La Chamana, we embrace this shift.

We are not in the business of rooms. We are in the business of resonance.
We believe true luxury isn't about being seen, it's about being moved.

This is a house of transitions. From noise to quiet. From speed to stillness.
From outside to within. Each space is calibrated to a different pace.

The key marks the threshold. What begins at the door continues
long after you've left.

The house simply works, on you.

The House

A Fully Private 8-Suite Villa

The entire property is rented exclusively for groups of up to 16 guests, and offers a wide variety of purpose-designed spaces for movement, ritual, creativity, contemplation, play, and rest.

The villa is set in **La Veleta**, Tulum's most vibrant district for design, gastronomy and meaningful local life. At the same time, we are only minutes away from our **Private Beach Club**, the most recognizable and beautiful spot of shoreline in the Riviera Maya.

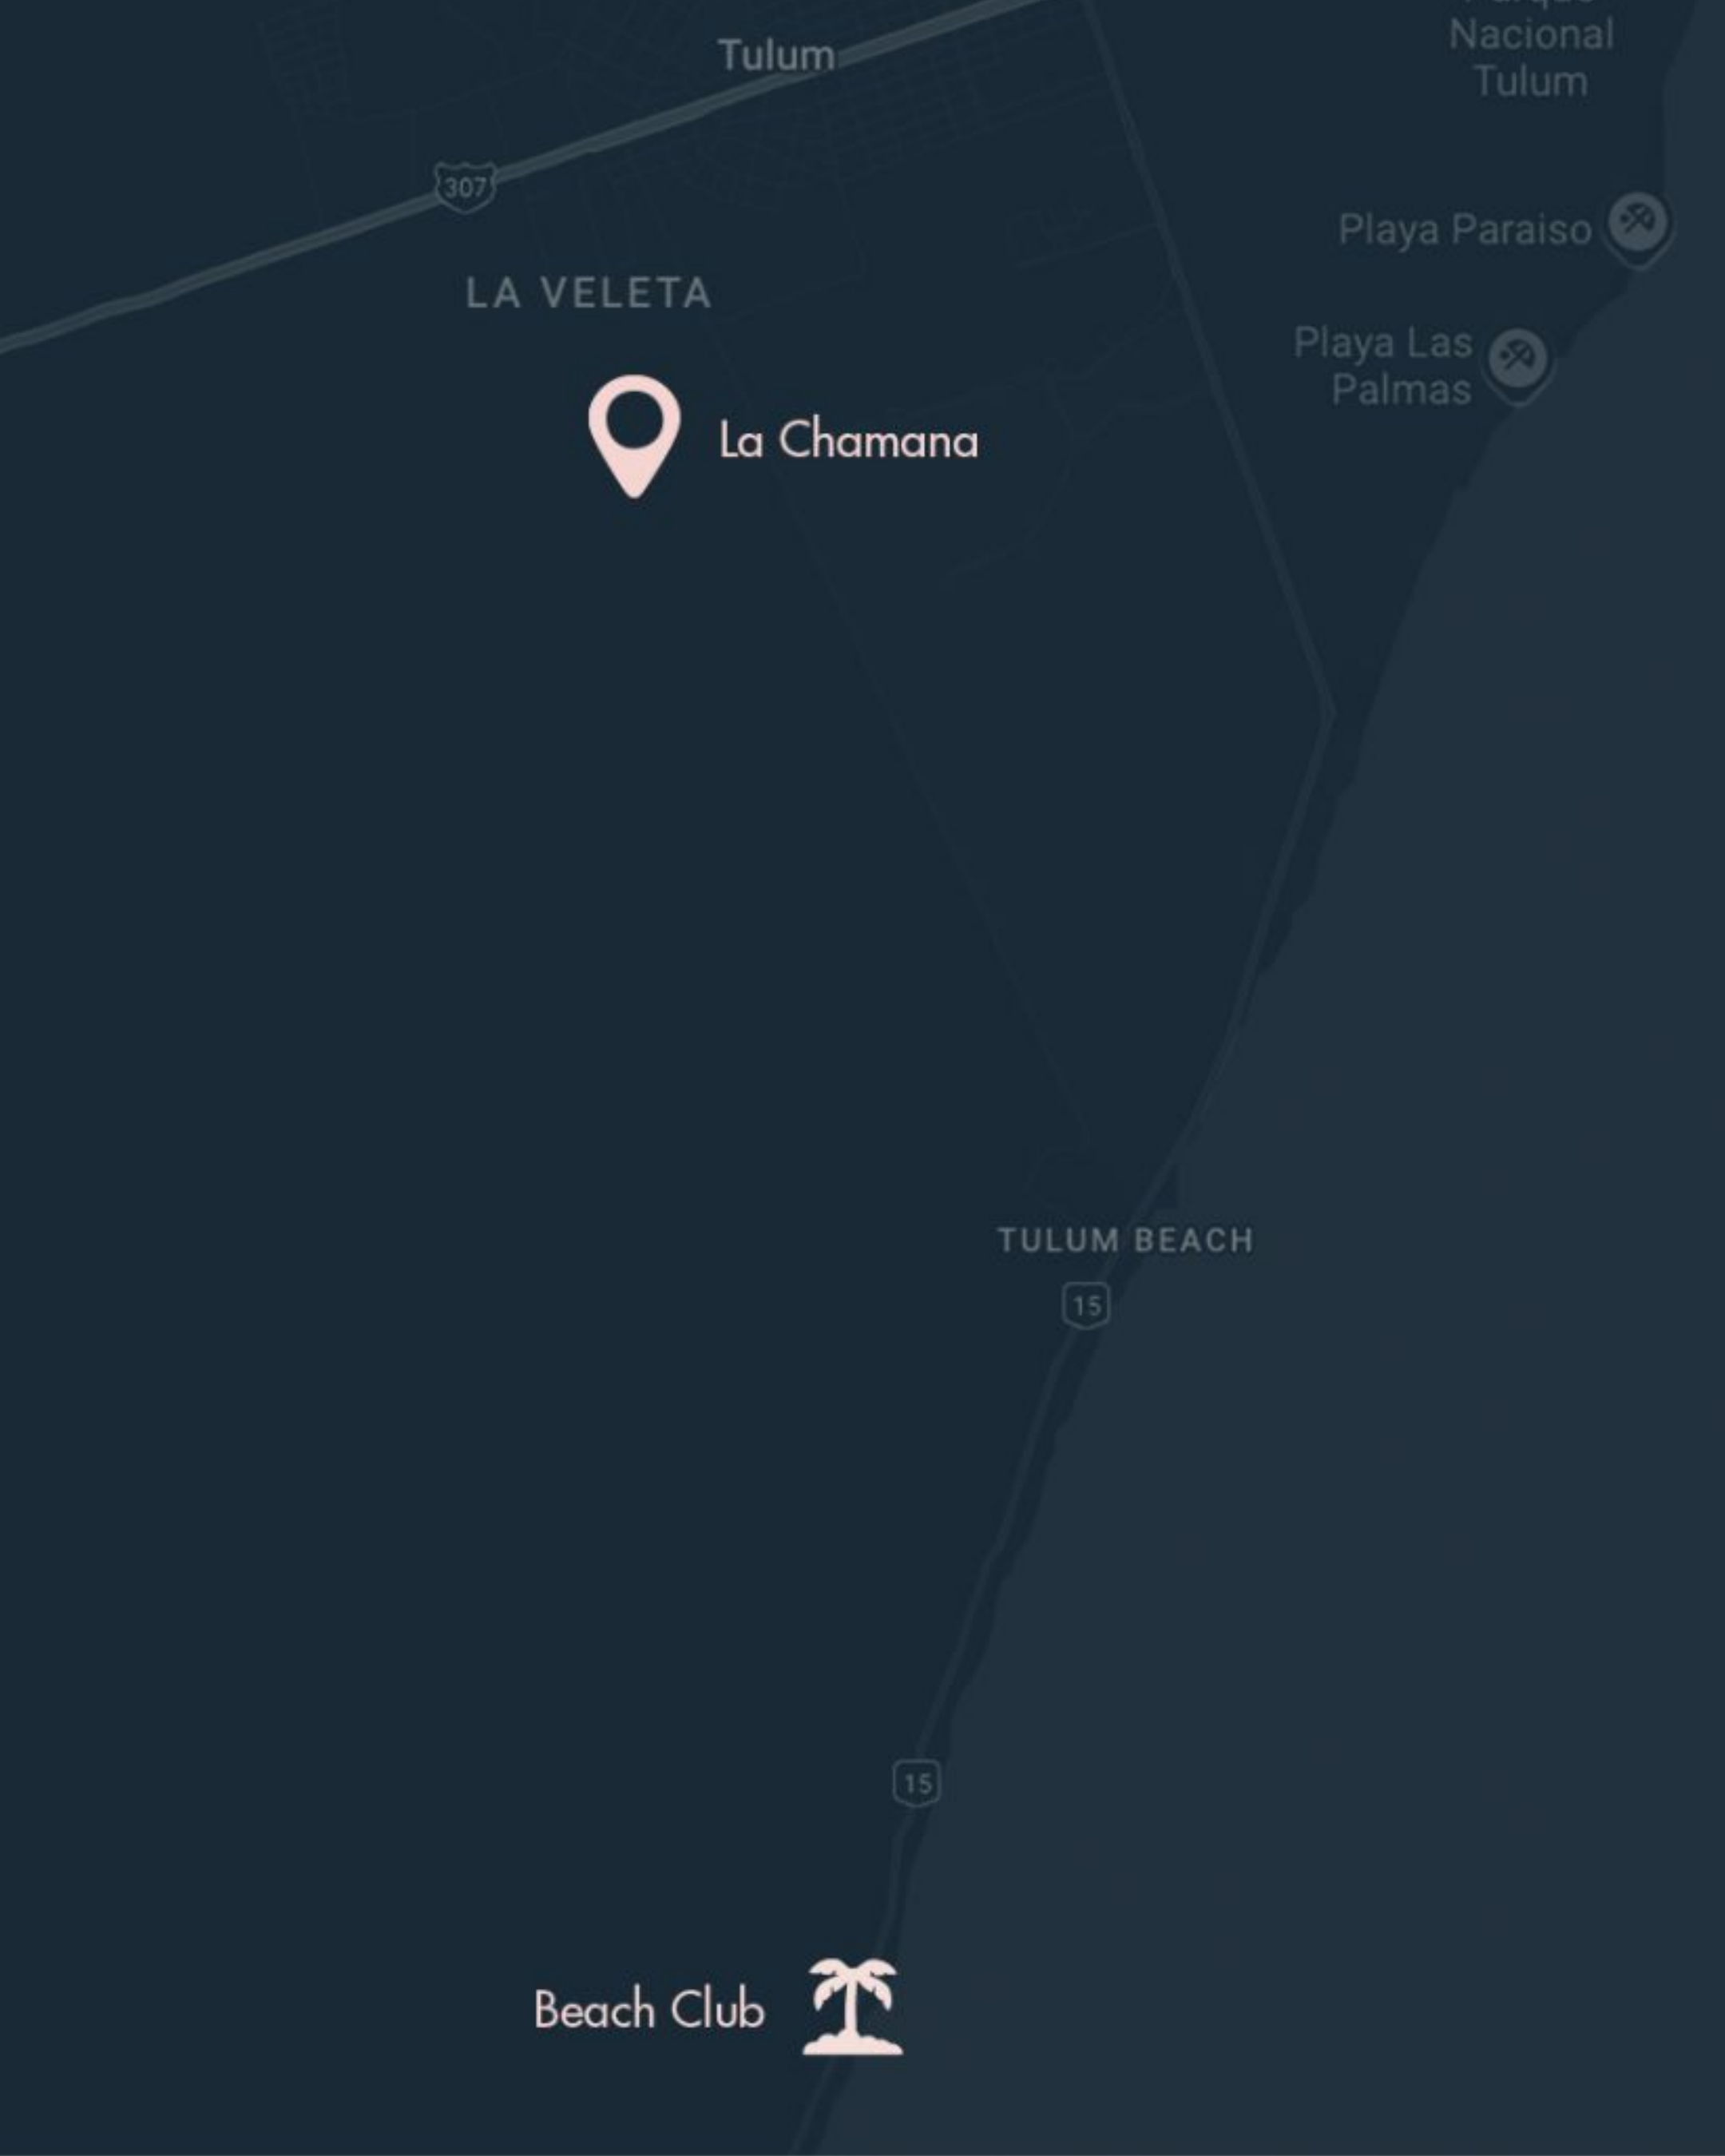

La Chamana offers the best of both worlds:

The Beach: turquoise waters, curated service, and a serene, protected coastline.

The Jungle: La Veleta's vibrant and local atmosphere.

Your key unlocks both.
